

# Hydrate & Libate

#DAYCLUBREADY

THE DAYCLUB SEAZN VODKA GUIDE

# WELCOME TO DAYCLUB SEAZN

This isn't a cocktail book.

It's a guide to staying #DayclubReady.

Every recipe inside was chosen for one simple reason: they're easy, customizable, and designed to fit a lifestyle that doesn't revolve around sugar crashes, bloating, or complicated ingredients.

Most of these recipes are keto-friendly, low-sugar, or completely sugar free. Some even pull double duty by helping you rehydrate while you libate.

So a babe can keep babe-ing.

Unlike canned cocktails and hard seltzers, these recipes put you in control. Want a stronger pour? Add more vodka. Want something lighter for an all-day pool session? Add more mixer.

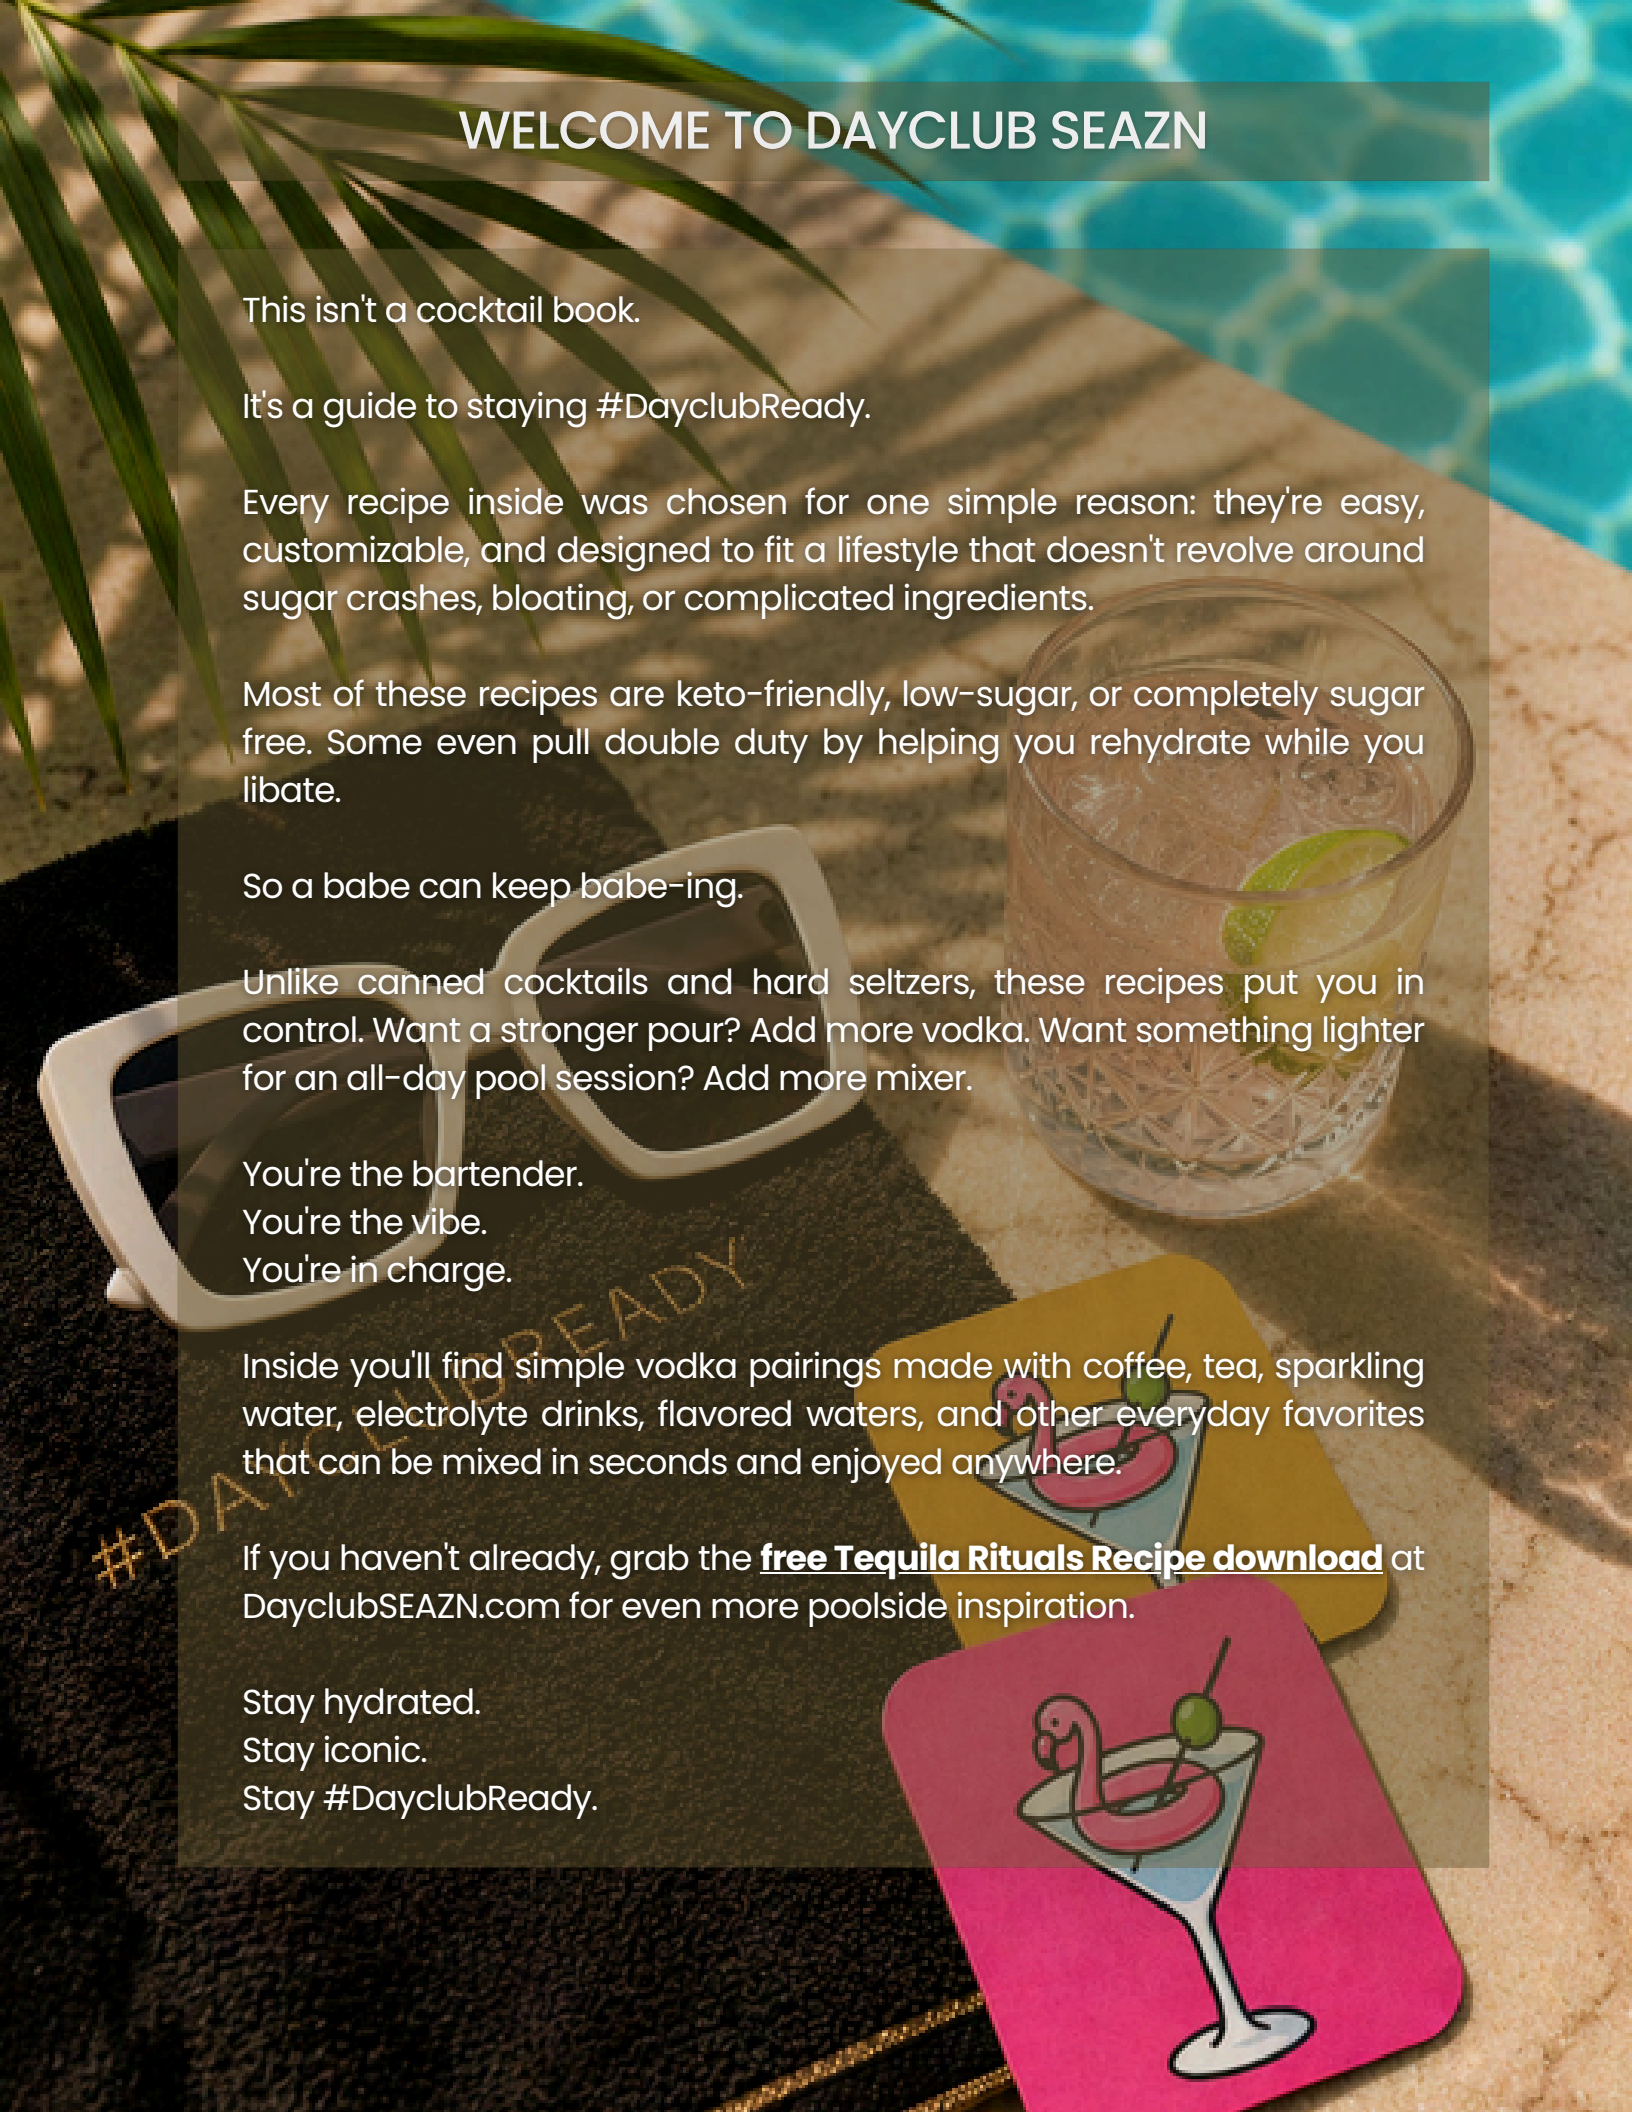

You're the bartender.  
You're the vibe.  
You're in charge.

Inside you'll find simple vodka pairings made with coffee, tea, sparkling water, electrolyte drinks, flavored waters, and other everyday favorites that can be mixed in seconds and enjoyed anywhere.

If you haven't already, grab the **free Tequila Rituals Recipe download** at [DayclubSEAZN.com](http://DayclubSEAZN.com) for even more poolside inspiration.

Stay hydrated.  
Stay iconic.  
Stay #DayclubReady.
